**Croeso, Welcome,** to the North Road Garage Toyota Showground Stages.

Newtown & District Automobile Club Ltd are organising the North Road Garage Toyota Showground Stages 2024, which is a 2WD only rally held entirely within the Royal Welsh Showground, Llanelwedd.

We would like to thank our title sponsor, North Road Garage Toyota for coming on board, and to the Royal Welsh Agricultural Society for the use of the Royal Welsh Showground. Also, thanks must go to all our other sponsors for enabling us to run the event.

The event consists of 5 stages (of just under 3 miles each), each run twice, with a service between each loop. This will give a total stage mileage of just under 28 miles.

We welcome spectators to this event and ask that you only spectate in the specified spectator areas. Please do not be the person who forces the delay or even cancellation of the event. We have a Motorsport UK Steward, who has the power to do either of these things if he thinks that there is anyone who is in an unsafe place.

***Wishing you a safe and enjoyable day of rallying.***

**Wayne Jones**

Clerk of the Course

**Eian Pritchard – North Road Garage**

“It’s a privilege to be the main sponsor for the event as this venue hasn’t been used for a number of years and the revenue the event brings into the local community has been greatly missed in the recent years”.

“Having been involved with motorsport for a number of years we are happy to give back to the rallying community and wish to thank all the organisers and volunteer marshals who’ve put a lot of effort into getting this event off the ground”.

## NOTICE TO SPECTATORS

Following The Scottish Motorsport Event Safety Review (MESR) Motorsport UK has required the provisions relating to SPECTATOR & MEDIA SAFETY to be re-examined and PROHIBITED AREAS very carefully planned.

With this in mind, all Spectator Areas have been marked out in line with the current Safety Requirements.

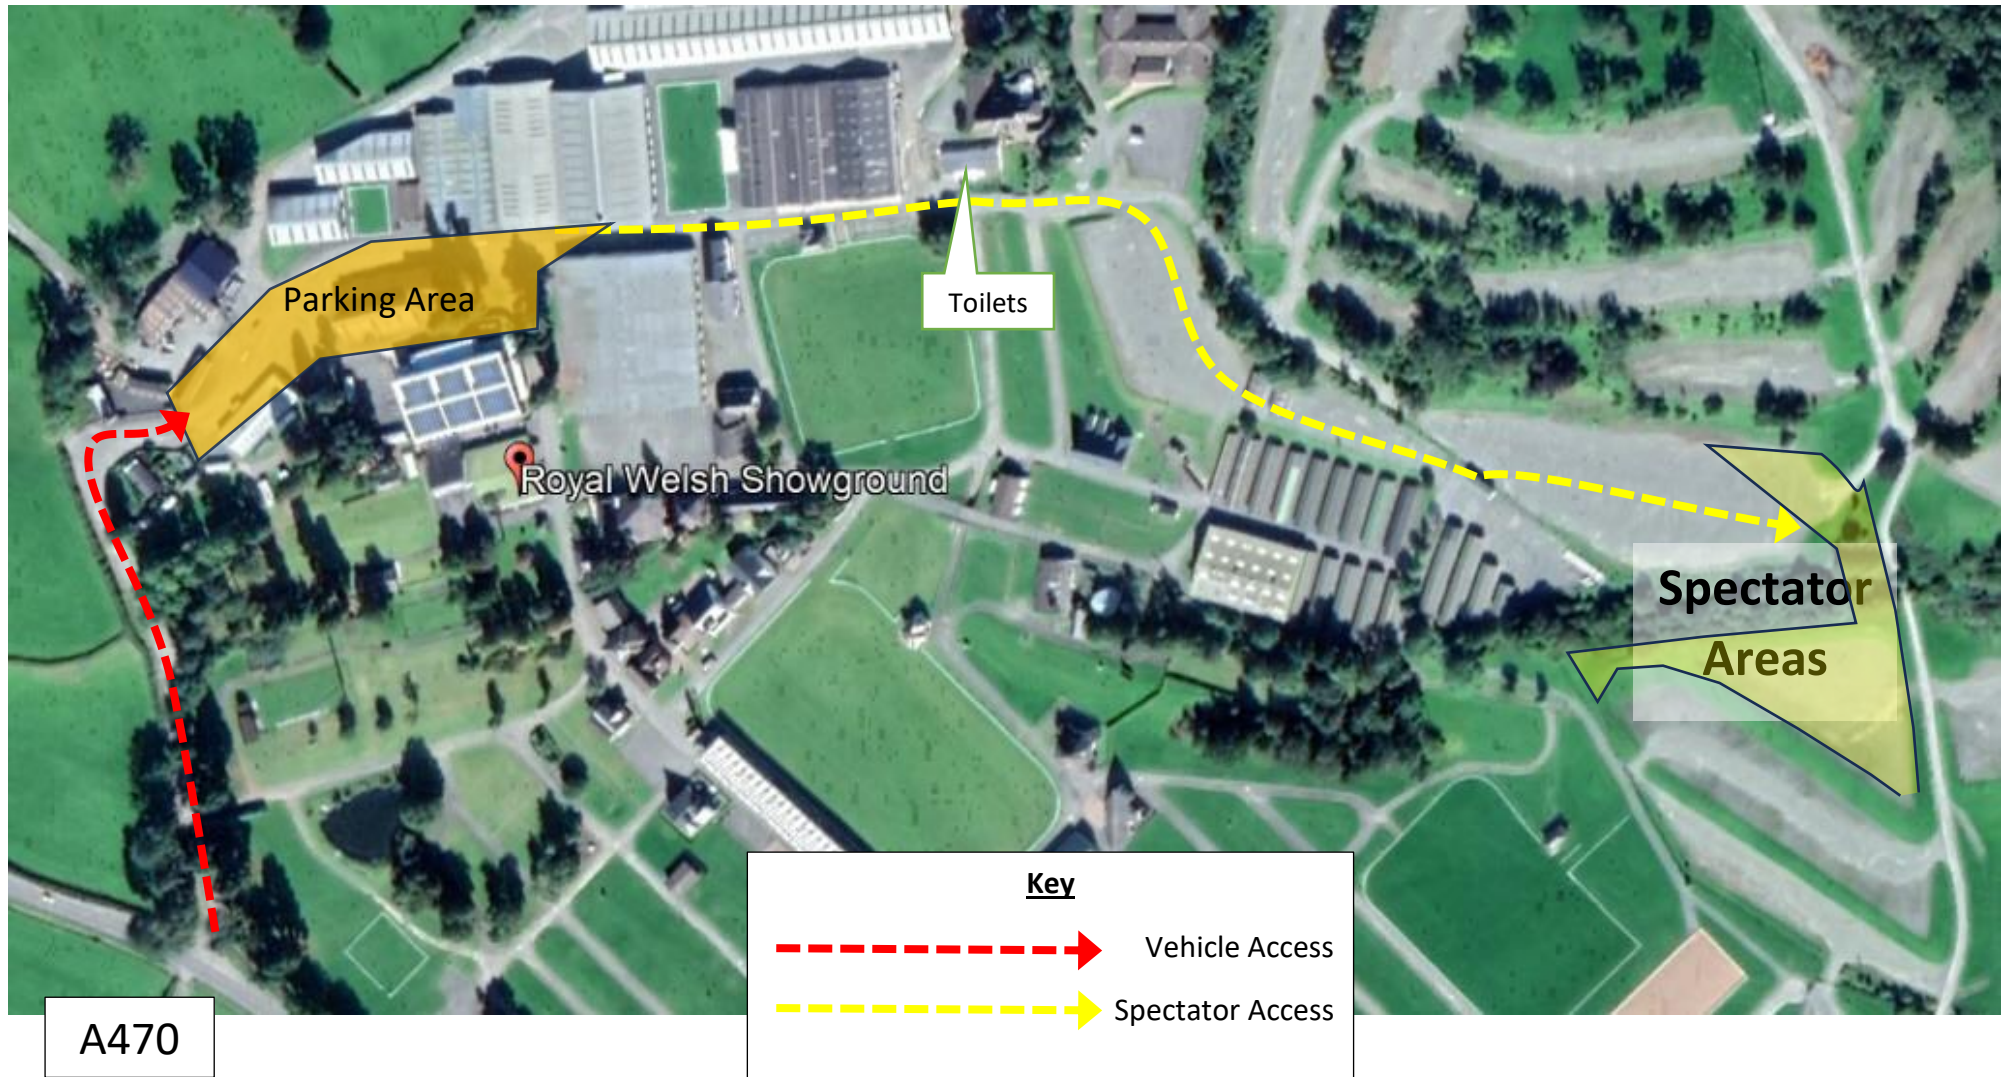

Please, therefore, help us to run a safe rally and stand in those safe locations.

We have two Spectator Safety and Control cars who will STOP the event if spectators are not in safe locations. The Motorsport UK Safety Delegate will be in the second and he has the power to postpone, abandon or stop an event if he considers spectators to be in an unsafe location.

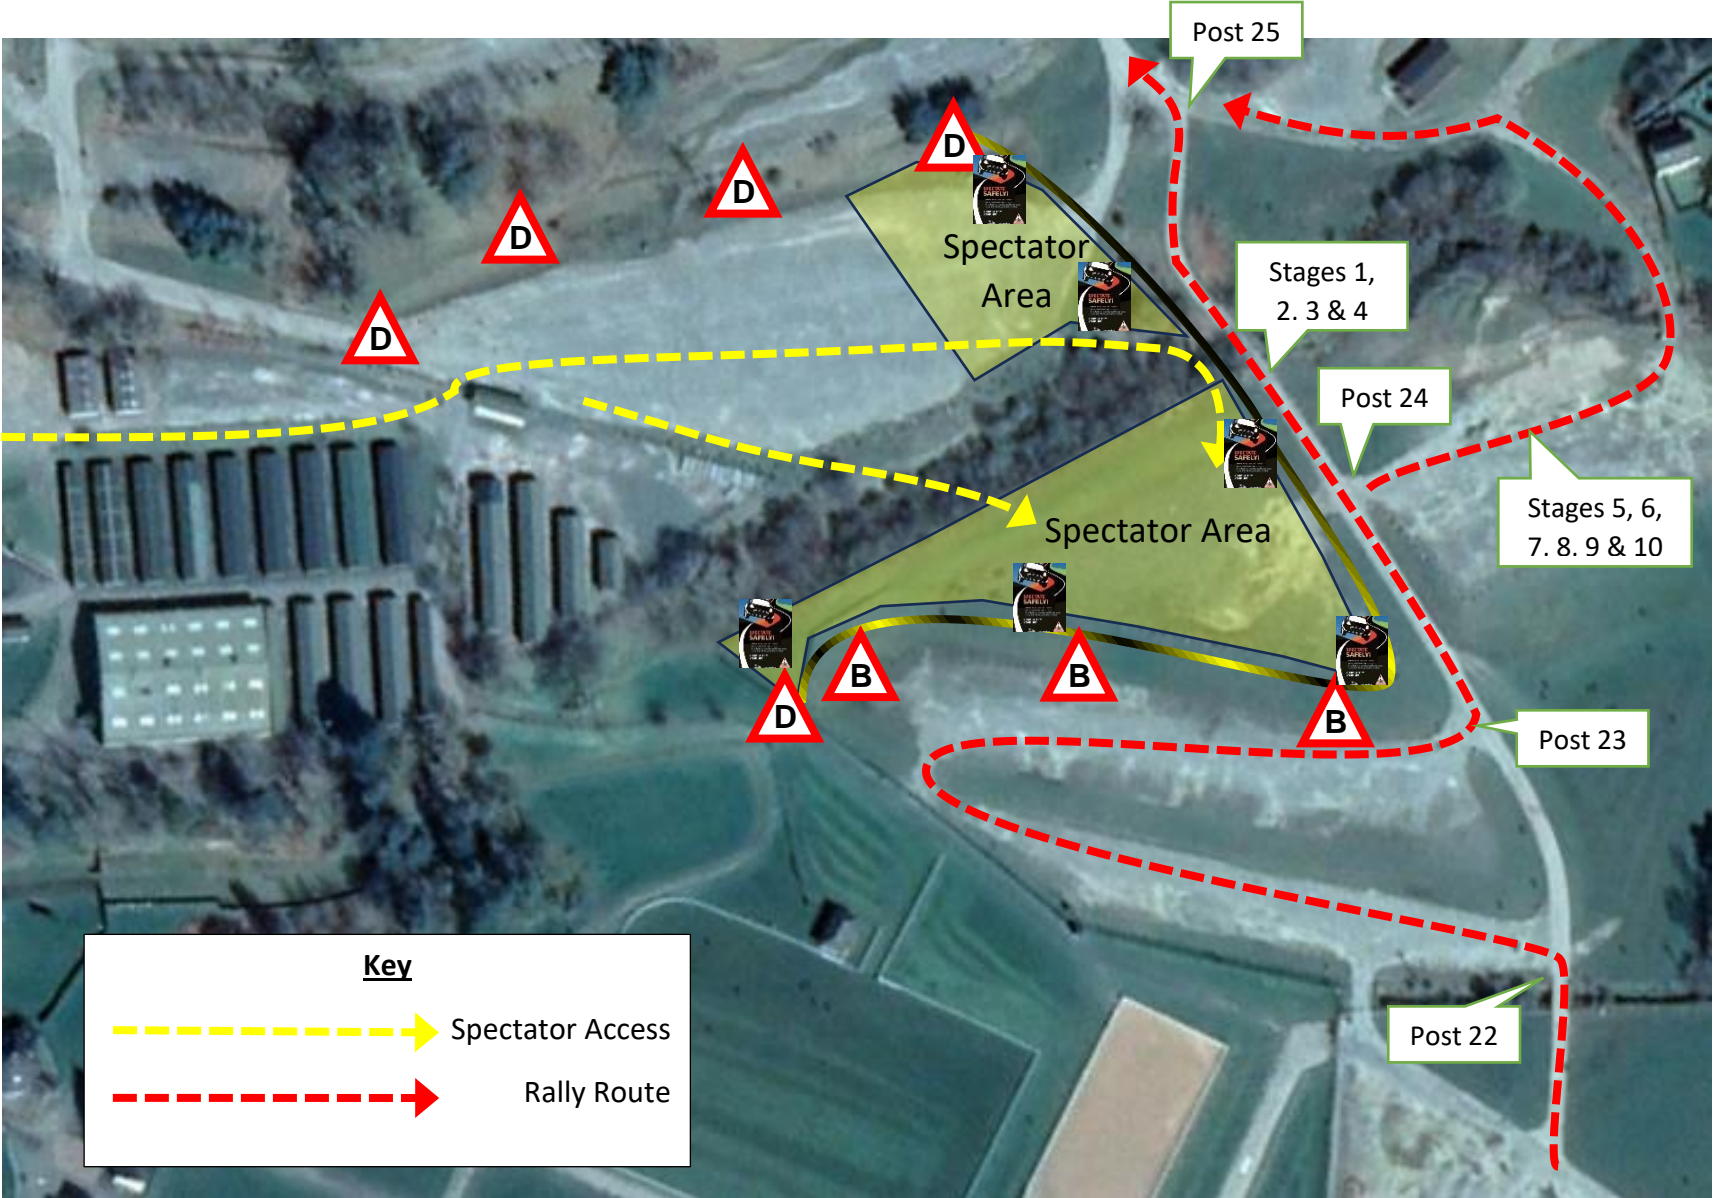

**PLEASE ENSURE YOU ARE NOT THE CAUSE!**

*It is a condition of your presence that you obey the instructions of Marshals in relation to the Safety of yourself and others.*
